New venue, new look, and a new name!! And - the Magic City has the welcome mat out - here's your invitation to come cut with us in Billings, Montana!!

The Yellowstone County Fairgrounds located at Exit 452 off I-90 will play host to this year's *Yellowstone Empire Cutting* events.

Two weekends of NCHA cuttings in Billings - March 20 and 21 and April 10 and 11. Both events are MCHA approved, with the April show also having Western States (WSCHA) approval. In addition to the regular slate of NCHA classes, our April show will include a 4 year-old Open and Non-Pro class each day.

Here is the plan - good added money cuttings on good ground and with good cattle. We have tried to make the cutting weekend "balanced" - fair price to practice, reasonable hotel/motel charges, and lowered stalling costs - while keeping the added money and fresh cattle integrity in all classes. PLUS - we have HOOK UPS - reasonable - for those of you with living quarters.

AND - we are offering circuit awards - vests - at each show!! They are good, I promise.

LOTS and LOTS of on-site stalling, right out the door of the arena. And the hook-ups are a stone throws away.

AND - as always, OUR PROMISE OF FRESH CATTLE, FRESH CATTLE, AND MORE FRESH CATTLE. EVERY CLASS, ALL DAY, BOTH DAYS. It's just better that way.

Our judges are hired and on-go. For our March 20-21 show we welcome AAAA Judge Faron Hightower, Bluff Dale, TX and for April 10-11 AAA Judge Pat Taylor, Pilot Point, TX.

We will also be hosting a cutting and showmanship clinic the MONDAY and TUESDAY following our March show - CLINIC dates are March 22-23 and will welcome FARON HIGHTOWER. For more information, to participate or audit, please give me a call. Here's your chance to amp up your show skills early in the season.

GET THIS!! Host Hotel is the newer Extended Stay America - located at exit 447 (South Billings Blvd) and OFFERS A \$42.99 rate for a QUEEN STUDIO and \$52.00 for a KING!! Ask for their AG RATE - 406-245-3980 to make YOUR reservations.

PRACTICE WORKS - Fresh cattle practice on the Friday's preceding the shows beginning at 10 a.m. JOIN US!

Also - we're playing host to the Montana High School Cuttings on Friday evenings prior to each show!!

As we enter into our eighth year as producers for the NCHA, most of you already know that Bill and I take pride in running a professional, well-run, organized event. We invite you to come and be a part of the all new package that we have put together for 2010.

Come see us in Billings March 20-21 and April 10-11 at the Yellowstone County Fairgrounds. Thank you.

Faron Hightower Cutting & Showmanship Clinic

Monday & Tuesday
March 22 & 23

Yellowstone Fairgrounds • Billings, Montana

YOU are invited to step up your game, spend two solid days in the saddle, and kick off 2010 with winning ways!

From cattle selection, herd work, showmanship skills, to timing – we will work on all of the components of a winning run.

It's two full days with \$3 Million dollar cutter, trainer, showman, and AAAA judge, Faron Hightower, Bluff Dale, TX.

Pull out all the stops, learn to make your run one or two or three points higher as you improve YOUR showmanship skills.

This cutting clinic is early in our year – learn new skills, fine-tune your existing game, and kick off your 2010 cutting season successfully!

We'll have all the fresh cattle you can cut and two solid days of instruction, cutting, and putting new skills to work.

BOTTOMLINE: You will leave this clinic a better cutter and showman.

We have attempted to keep this clinic at a reasonable cost to our participants. Your stalls are included (keep your same stall if you show over the weekend), lunch is included, cattle, instruction are all part of the \$550 fee.

To reserve your spot in the clinic or to audit, please contact Jann Parker 406-855-1947.

Get **READY** to WIN.
