No.

Who has influenced you in cutting?

Of course, Karla Camp, my trainer and so many riders in the MCHA.

I love watching everyone's different styles.

What do you like best about cutting?

That rush you feel on the back of your horse while competing in the arena, but most importantly the people you meet. They are a gracious and supportive group!

I am in between horses. My friend Karla let me ride Plastic Spoon in this show. He is around 9.

Peptospoonful / Smart Little Pistol

Spoon

He is such an inquisitive guy. Quite a pet when you're on the ground with him, very social. He makes us laugh, he has such big personality.

Who trained your horse?

Brad Vaughn

Are you riding with a trainer?

Yes, Karla Camp

Do you have any advice for beginning cutters?

Get yourself a trainer to learn the right things from the start, never give up!
Sit and stay out of your horses way!

I recently moved to Twin Bridges from Red Lodge, MT.

Inver Grove Heights, MN, outside of St. Paul.

Do you have a family?

Yes, my husband and 2 faithful dogs

If yes, do they ride also?

Yes, a heartfelt thank you to everyone for being so supportive and making this sport fun.
