New this year, a Dessert Auction. Pre-auction, before we are served, you will be invited to bid on four "special desserts". Each dessert will have a hidden key that will unlock a padlocked prize. The "Dessert Prizes" will include:

1. **Schneiders** Storm Shield V-trek Regulator blanket with a Storm Shield V-tek neck cover. 380 grams of insulation, 1680 denier. A \$258.99 value
2. **Classic Equine Saddle Pad**, Zone Series, powered by Zoombang protective gear. Zoombang protective gear is used by every team in the NFL, the NHL, MLB, NASCAR. The product is known for its ability to protect elite athletics. 31x32. A \$297.95 value.
3. **Team Equine Pad**, Custom built saddle pad. Has inserts to customize the fit to a specific horse. Features include a high quality removable closed cell insert which absorbs shock, reduces saddle roll and aids in weight distribution from rider to horse. A \$192.00 value.
4. **Tom Balding Gift Certificate.** Tom ranks among the most revered and imitated bit and spur makers in the country. He is known industry wide for design innovation, precision and flawless finish work with superlative function and striking appearance. A \$250.00 value.

Remember, the only way to win one of these great prizes, is first be the winning buyer of the "Dessert Auction" . When all of the desserts are auctioned, and you find the key, you then may try the key in the locks to see which prize is yours. Come, participate, eat (and hopefully share) a special dessert, and win a fun prize....
